"Do You Remember"

Do You Remember - written & composed by Phil Collins
album "But Seriously" 1989

we never talked about it
but I hear the blame was mine
I would call you up to say I'm sorry
but I wouldn't wanna waste your time

cos I love you - but I can't take anymore
there's a look I can't describe in your eyes
if we could try like we tried before
would you keep on telling me those lies

tell me do you remember
do you remember

there seemed no way to make up
cos it seemed your mind was set
and the way you locked it told me
it's a look I know I'll never forget

you could've come over to my side
you could've let me know
you could've tried to see the distance between us
but it seemed too far for you to go

tell me do you remember
do you remember

through all of my life
in spite of all the pain
you know people are funny sometimes
cos they just can't wait to get hurt again

tell me do you remember

there are things we won't recall
and feelings we'll never find
it's taken so long to see it
cos we never seemed to have the time

there was always something more important to do

more important to say
but "I love you" wasn't one of those things
and now it's too late

tell me do you remember
do you remember
but now it's over
