PHIL COLLINS - DOESN'T ANYBODY STAY TOGETHER  
ANYMORE

(taken from the Serious Tour live concert in Berlin,  
Waldbuehne, 15-Jul-1990)

[We're gonna do an old song now. We're gonna do an  
old song  
we've done some new things to it, and I hope you like  
it.]

You keep on walking so you don't fall down, it's the  
same old story  
You keep on hiding so you can't be found, it's the same  
old story  
But I know you, you're the one who ran  
And I know why, it's because you can  
That's alright, I don't mind, I'm just tryin' out

Chorus:  
But I wonder why doesn't anybody stay together  
anymore  
I wonder why doesn't anybody stay together anymore  
Yes I wonder why doesn't anybody stay together  
anymore  
Just wonder why doesn't anybody stay together  
anymore

My friends keep falling and they don't get up, it's the  
same old story  
One says white and the other one black, it's the same  
old story  
But I don't know why you keep emotions warded  
Your hat's on your sleeve, but your sleeve is rolled up  
That's alright, 'cos I don't mind, I'm just tryin' out

chorus

Things can change from a misunderstanding  
Nobody talks, nobody breathes, no, makes me wonder  
why

(Solo)

You keep on looking for that higher ground, it's the  
same old story  
Your glass is empty and the chips are down, it's the  
same old story  
But I know you, you're the one who ran  
And I know why, it's because you can  
That's alright, I don't mind, I'm just tryin' out

chorus

Yes I wonder why, yes I wonder why  
Oh I wonder why, yes I wonder why  
Oh yeah, I wonder why, I wonder why  
I wonder why.
