Can't find my days of happiness
Can't find my days at all
You told me that I would care less
You're waitin' for my call

And if you'd call me now
And if the truth came out
Would I say sorry?
Please don't let me bleed
'Cause I know you can see
What this means to me

Which sins did I have to confess
Until you let me love her?
I am the shadow of myself
Frustrated and insane

And now I am at home
Can hear the telephone
Will I say sorry?
The answering machine
Goes on after 5 rings
And I'm listening

And you say hey, are you there?
You break my heart so please take care
I wanna know if you're alright
And let you know that I'm still in love with you

So now I'm sittin' on my bed
Not knowin' what to say
Why does our life have to be said
And lonely in a way

Now stop being alone
And get the telephone
To say I'm sorry
I have to stick it out
I wanna fall and shout
But there ain't no way

So I say hey, I am here

And Iâ€™m just wiping up my tears
And I just donâ€™t know what to do
’cause I donâ€™t know if Iâ€™m still in love with you
