(Verse 1)

If ever you wondered if you touched my soul yes you  
do  
Since I met you I'm not the same  
You bring life to everything I do  
Just the way you say hello  
With one touch I can't let go  
Never thought I'd fall in love with you...

(Chorus)

Because of you, my life has changed,  
Thank you for the love and the joy you bring  
Because of you, I feel no shame,  
I'll tell the world it's because of you

(Verse 2)

Sometimes I get lonely and all I gotta do is think of you  
You captured something inside of me  
You make all of my dreams come true  
It's not enough that you love me for me  
You reached inside and touched me eternally  
I love you best explains how I feel for you...

(Chorus)

Because of you, my life has changed,  
Thank you for the love and the joy you bring  
Because of you, I feel no shame,  
I'll tell the world it's because of you

(Bridge)

The magic in your eyes  
True love I can't deny  
When you hold me I just lose control  
I want you to know that I'm never letting go  
You mean so much to me I want the world to see,  
It's because of you

(Chorus)

Because of you, my life has changed,  
Thank you for the love and the joy you bring  
Because of you, I feel no shame,  
I'll tell the world

It's because of you My life has changed  
Thank you for the love and the joy you bring  
Because of you, I feel no shame, I'll tell the world it's  
because of you
