Flowers oh, on this lovely evening  
Though they have no words  
they share my feelings;

As we walk along the avenue,  
Pardon me, I just can't  
help staring at you.

When I look into those  
sparkling eyes,  
If float in the air and wonder  
in paradise;  
You give my heart a source of  
inspiration,  
Your beauty is beyond imagination.

CHORUS:

You are the one  
The only one I desire,  
When we touch,  
When we're one you light the fire;

The seasons we share

Hand in hand, there seems to be no time,  
Each day with you becomes a Valentine.

Time must go on and so must we  
Moments slip away to unlock the memories;  
One day as we look back with  
all this treasure,  
Candle light that shines beyond before.

(REPEAT CHORUS EXCEPT LAST LINE)

Each day with you becomes a Valentine.  
Your beauty is beyond imagination.

(REPEAT CHORUS EXCEPT LAST LINE, 2X)

Each day with you becomes

Valentine.

(REPEAT CHORUS FADING)
