You called me from the room in your hotel  
Oh, full of romance to someone that you met  
Telling me how sorry you were  
Leaving so soon  
And that you miss me sometimes  
When you're alone in your room  
Do I feel lonely, too

You have no right  
To ask my how I feel  
You have no right to speak to me so kind  
I can't go on holdin' on too tight  
Now that we're living separate lives

Well, I held on to let you go  
And if you lost your love for me  
Will you ever let it show  
There was no way to compromise  
So now we're living separate lives

Oh, it's so difficult  
Love leads to isolation  
So you build that wall  
Yes, you build that wall  
And you make it stronger

Well, you have no right  
To ask me how I feel  
You have no right to speak to me so kind  
Someday I might find myself looking in your eyes  
But for now, we'll go on living separate lives  
Yes, for now, we'll go on living separate lives  
Separate lives
