I believe the children are our future
Teach them well and let them lead the way
Show them all the beauty they possess inside
Give them a sense of pride
To make it easier
Let the childrens laughter
Remind us how we used to be
Everybody searches for a hero
People need someone to look up to
I never found anyone who fulfilled my needs
A lonely place to be
So I learned to depend on me
Ive decided long ago
Never to walk on anyones shadow
If I fail, if I succeed
At least I lived as I believed
No matter what they take from me
They can't take away my dignity
Because the greatest love of all
Is happening to me
I found the greatest love of all inside of me
The greatest love of all
Is easy to achieve
Learning to love your self
Is the greatest love of all
I believe the children are our future
Teach them well and let them lead the world
Show them all the beauty they possess inside
Give them a sense of pride
To make it easier
Let the childrens laughter
Remind us how we used to be
Ive decided long ago
Never to walk on anyones shadow
If I fail, if I succeed
At least I lived as I believed
No matter what they take from me
They can't take away my dignity
And if by chance that special place
That youve been dreaming of
Lead you to a lonely place
Find your strength in love
