I've been waiting for so long
Now I fin'lly found someone stand by me
Saw the writing on the wall
Then we built this magic fantasy
Now with passion in our eyes
There's no way we could disguise it secretly (no baby)
So we take each other's hand
'Cause we seem to understand the urgency
Just remember...
You're the one thing
I can't get enough of
So I tell you something this could be love!
I've had the time of my life

No, I never felt this way before
yes, I swear it's so true
And I owe it all to you...hey, baby
With my body and soul,
I want you more than you'll ever know
So we'll just let it grow
Don't be afraid to lose control
Just remember...
You're the one thing
I can't get enough of
So I tell you something this could be love...
Because I've had the time of my life
No I never felt this way before, yes
I swear it's so true
And I owe it all to you...
'Cause I've had the time of my life
And I charge thru every open door
Well I find all true and I owe it all to you
