O Mount Kailas uncover me  
Come my restoration  
Wash my body clean

I've been walking  
Along a crooked path  
Where the walls have fallen  
Broken me in half

I'm telling you  
I will not rest till I lay down my head  
I'm gonna go  
In the house of stone and light

I shall not cry  
For the blind man I leave behind  
When I go  
In the house of stone and light, yeah  
In the house of stone and light

Holy lady  
Show me my soul  
Tell me of the place  
Where I must surely go

Old man waiting  
At the gates for me  
Give me the wisdom  
Give me the key

I'm telling you  
I will not rest till I lay down my head  
In the house of stone and light

I make my way  
Oh, gonna be such a beautiful day  
In the house of stone and light  
In the house of stone and light

Let me in beneath my skin  
In the house of stone and light

It's been too long  
My spirit's been at war  
Havasupai Shaman  
Let me be reborn

And I will embrace  
The sun upon my face  
Come the day  
I awake the child inside  
In the house of stone and light

And when I go  
I will op', op', open my eyes  
In the house of stone and light  
I will see you  
In the house of stone and light

Looking in beneath my skin  
In the house of stone and light

Going inside  
In the house of stone and light  
(Stone and light)  
Looking for the child  
In the house of stone and light  
(See myself got such a good shelter)  
In the house of stone and light

In the house of stone and light  
(I'm gonna let this child come washing of water)  
In the house of stone and light  
(He's speakin' softly to me)  
(I must go there, to find my soul, yeah)

In the house of stone and light  
(I can see so clearly now)  
(I will go there, to find my soul, yeah)  
In the house of stone and light  
(Well keep on knocking on my door)  
(I must go there, to find my soul, yeah)

In the house of stone and light  
(I will go there, to find my soul, yeah)  
In the house of stone and light  
(I must go there, to find my soul, yeah)
