So I tried and I failed
My ship came in and it sailed
Sleep ~til noon; up till dawn
Once had hope; now it's gone
My heart is a thundercloud
Rain wants out
It wants out
It wants out
I don't smoke; I don't drink
I don't feel; I don't think
Gave up love long ago
I just thought you should know
My heart is a burnin' house
And the fire wants out, yeah
My heart is a burnin' house
And the fire wants out
Wants out
It wants out
You can try; I don't care
I'm broke beyond repair
Go ahead; be my guest
Can't get any worse, so do your best
My heart is a thundercloud
And the rain wants out
My heart is a burnin' house
And the flame wants out
Wants out
It wants out
It wants out
It wants out
