The venetian blinds are open tonight  
Just enough to let in the street light  
And the shadows paint lines over everything  
In the room

There's my chair by the phone  
The coat on the floor  
Look like dark horizons that lead to the door  
On that old Christmas candle you carved the words  
I love you  
And since you've been gone  
There's nothin' right

Where did I go wrong with you  
Where did I go wrong

No more dim Sunday night's dance to that sexy radio  
show  
Our hips locked tight  
Your neck sweating glow  
All sweet night, we'd cook  
Supper slow  
And oh by the way  
You left your candle babe

Burning down  
I'm begging darlin' please

Where did I go wrong with you  
Where did I go wrong

Was it something I said or did or didn't do  
Was all I had not enough for you  
Tell me where did I go wrong with you

All the life we were burning through  
What with your memory shall I do  
I opened up the deepest of my inside  
It was all I had left to give  
To you.  
Where did I go wrong with you
