One, two, three

I've got a song, it ain't got no melody
I'm gonna sing it to my friends
I got a song, it ain't got no melody
I'm gonna sing it to my friends

Will it go round in circles?
Will it fly high like a bird up in the sky?
Will it go round in circles?
Will it fly high like a bird up in the sky?

I got a story, ain't got no moral
Let the bad guy win every once in a while
I got a story, ain't got no moral
Let the bad guy win every once in a while

Will it go round in circles?
Will it fly high like a bird up in the sky?
Will it go round in circles?
And will it fly high like a bird up in the sky?

I gotta a dance that ain't got no steps, no
Gonna let the music move me around
I gotta a dance, it ain't got no steps
Gonna let the music move me around

Will it go round in circles?
Will it fly high like a bird up in the sky?
Will it go round in circles?
Will it fly high like a bird up in the sky?

I got a song, it ain't got no melody
I'm gonna sing it to my friends
I got a song, it ain't got no melody
I'm gonna sing it to my friends

Will it go round in circles?
Will it fly high like a bird up in the sky?
Will it go round in circles?
Will it fly high like a bird up in the sky?

I'm gonna go round in circles, no
