S\*T\*A\*R that's what you are  
Cause you're big in Japan  
You're big in Japan

I got a phone call  
From across the hall  
People knocking on doors  
I fell asleep on the floor  
I think I'll be fine  
I feel totally 90's  
As I'm lying on the ground  
In my smoking undies  
Keep my head down  
Look away from the flash  
I got a planet full of people saying I got a smash  
Me I don't mind  
Cause it's all for the fans  
And the next thing you know I'm big in Japan

S\*T\*A\*R that's what you are  
Cause you're big in Japan  
You're big in Japan

S\*T\*A\*R that's what you are  
Cause you're big in Japan  
You're big in Japan

Big in Japan, big in Japan  
Big in Japan, big in Japan

Now you know I gotta run  
Got a shark on my back  
I got a 10 ton agent wanna hear my tracks  
This is gonna work, this is amazing  
We could take it to the world with a perfect timing  
If you don't know how you could do it like David  
He's so hot right now he's a pretty big deal  
Cut a manager in to come up with a plan  
And the next thing you know I'm big in Japan

Big in Japan, big in Japan

Keep my head down  
Look away from the flash  
I got a planet full of people saying I got a smash  
Me I don't mind  
Cause it's all for the fans  
And the next thing you know I'm big in Japan

S\*T\*A\*R that's what you are  
Cause you're big in Japan  
You're big in Japan

S\*T\*A\*R that's what you are  
Cause you're big in Japan  
You're big in Japan

S\*T\*A\*R that's what you are  
Cause you're big in Japan  
You're big in Japan

S\*T\*A\*R that's what you are  
Cause you're big in Japan  
You're big in Japan

Big in Japan, big in Japan  
Big in Japan, big in Japan

Run, run gotta gotta run run run big in Japan, big in  
Japan  
Run, run gotta gotta run run run big in Japan, big in  
Japan

S\*T\*A\*R that's what you are  
Cause you're big in Japan  
You're big in Japan

S\*T\*A\*R that's what you are  
Cause you're big in Japan  
You're big in Japan
