(Martin Solveig)

[Dragonette]

Popsicle French boy, sure of yourself
I could get to know you but I just want to dance
I'm gonna make it clear, parlez-vous français ?
Ce n'est pas possible, now, get out of my way.

[Martin]

I could be your boy and you could be my girl, I could be
your boy

I could be your boy and you could be my girl

[Dragonette]

I could be your girl

[Martin]

I could be your boy and you could be my girl, I could be
your boy

I could be your boy and you could be my girl

[Dragonette]

I could be your girl

[Martin]

I could be your boy and you could be my girl, I could be
your boy

I could be your boy and you could be my girl

[Dragonette]

I could be your girl.
