I could be your boy
and you could be mine

Oh oh oh oh oh

I could be your toy

It would be fine

Oh oh oh oh oh

I could be your boy
and you could be mine

Oh oh oh oh oh

Bring me all your joy

it would be fine

You are in or not

Coming after you

I am really hot

I know you are too

I could be your clown

I will make it right

Don't say a word

Stay over tonight

I could be your boy and you could be my girl

(I could be your boy)

Come on, rock my world...

Oh oh oh oh oh

I can't be your girl

look at yourself

Oh oh oh oh oh

Maybe you have taken me

for someone else

Oh oh oh oh oh

I can't be your girl

tu me fatigues

Oh oh oh oh oh
This is not your world
boy your out of your league
Oh oh oh oh oh

Popsicle French boy, sure of yourself
I could get to know you but I just want to dance
I'm gonna make it clear
Parlez vous franÃ§ais
Ce n'est pas possible
Now, get out of my way

I could be your boy and you could be my girl
(I could be your boy)
Come on, rock my world
I could be your boy and you could be my girl
(I could be your boy)
Come on, rock my world...
