Dalila U break my heart ! (Dalila)  
Dalila U break-break my heart (Da-lila Daaaaaaaa Oh  
Dalila Dalila)

Oh Dalila, will you dance with me Dalila, oh Dalila, can U  
stop hiding Dalila ?  
Oh Dalila, I am so lonely Dalila, oh Dalila, just one  
dance with me Dalila ! (x2)

I think our bodies are getting a lil closer, the host in me  
is giving the most to the hostess  
Can't U see I'm going wild wild wild wild ? Gonna check  
a move left right, left right  
Attraction of the negative can always turn positive, your  
mama papa gonna let U live  
Don't U know I'm really sad sad sad ? My patience  
running out of time time time

There's a tiny little spot in my... heart, I'm not really  
lucky man from the start  
I'm trying to persevere but it's really... hard,  
communicating with the gal is really tough  
Please Dalila gimme a little sign, I'm waiting for Ur love  
since a long time  
Can U make my dream become reality ? Let's getaway  
from the pressure feel the peace !

Dalila U break my heart, I don't know where 2 start,  
trying 2 get Ur attention everytime

Oh Dalila, will you dance with me Dalila, oh Dalila, can U  
stop hiding Dalila ?  
Oh Dalila, I am so lonely Dalila, oh Dalila, just one  
dance with me Dalila ! (x2)

Eeny-Meeny-Minye-May, catch Dalila by the waist  
If she disses my I'll wait, try my chance another day  
I know this girl's got interest for me, rock the vibe at the  
Block Party  
Block Party, Block Party  
Ooooooooooooooooooohh  
Aaaaaaaah

Yeah !

Dalila, Dalila...

Oh Dalila, will you dance with me Dalila, oh Dalila, can U  
stop hiding Dalila ?

Oh Dalila, I am so lonely Dalila, oh Dalila, just one  
dance with me Dalila !

Dalila, Dalila...
