This is your fate, don't hesitate, give it to me, come
give it to me.

This is your fate, don't hesitate, give it to me, come
give it to me.

This is your fate, don't hesitate, give it to me, come
give it to me.

This is your fate, don't hesitate, give it to me, come
give it to me.

I'm not surprised of what I see, it would take more to
surprise me.

I just wanna see you dancing, give it to me, come give
it to me.

This is not about what's right or wrong, no reason to
fight, it's just a song.

This is all I got, this is not much.

I would prove you that there's something I can do.

I'll make you feel alright, yeah you gonna feel alright.

That's how I want you to be, give it to me.

You make me feel alright, then you hear me damn
right.

That's how I want you to be, give it to me.

I'll make you feel alright, yeah you gonna feel alright.

That's how I want you to be, give it to me.

You make me feel alright, then you hear me damn
right.

That's how I want you to be, give it to me.

Ooouhhhh!

I'm not afraid of who I am, matter of fact, I'm just a fan.

Missy and Prince all around me, give it to me, come
give it to me.

You had enough prep, baby let it be, if you miss a step,
well c'est la vie.

Listen to the voice, it's not shaking.

If I had a choice, I wouldn't change a thing.

I'll make you feel alright, yeah you gonna feel alright.

That's how I want you to be, give it to me.

You make me feel alright, then you hear me damn

right.
That's how I want you to be, give it to me.
I'll make you feel alright, yeah you gonna feel alright.
That's how I want you to be, give it to me.
You make me feel alright, then you hear me damn
right.
That's how I want you to be, give it to me.

(Instrumental)

This is your fate, don't hesitate, give it to me, come
give it to me.
This is your fate, don't hesitate, give it to me, come
give it to me.
This is your fate, don't hesitate, give it to me, come
give it to me.
This is your fate, don't hesitate, give it to me, come
give it to me.

Give it to me, give it to me, give it to me.
I'll make you feel alright, yeah you gonna feel alright.
That's how I want you to be, give it to me.
You make me feel alright, then you hear me damn
right.
That's how I want you to be, give it to me.
I'll make you feel alright, yeah you gonna feel alright.
That's how I want you to be, give it to me.
You make me feel alright, then you hear me damn
right.
That's how I want you to be, give it to me.
