Good morning, beautiful
How was your night?
Mine was wonderful,
With you by my side
When I, open my eyes
To see your sweet face
It's a
Good morning, beautiful day

I couldn't see the light
I didn't know day from night
I had no reason to care

But since you came along
I can face the dawn
Cause I know you'll be there

Good morning, beautiful
How was your night?
Mine was wonderful,
With you by my side
When I, open my eyes
To see your sweet face
It's a
Good morning, beautiful day

I'll never worry
If it's raining outside
Cause I'm here with you, girl
The sun always shines

Good morning, beautiful
How was your night?
Mine was wonderful,
With you by my side
When I, open my eyes
To see your sweet face
It's a
Good morning, beautiful day
Good morning, beautiful day
