Every now and then soft as breath upon my skin  
I feel you come back again  
And it's like you haven't been  
Gone a moment from my side,  
Like the tears were never cried  
Like the hands of time were pulling you and me

And with all my heart I'm sure  
We're closer than we ever were,  
I don't have to hear or see  
I've got all the proof I need  
There are more than angels watching over me

I believe  
Oh I believe

Now when you die and life goes on,  
It doesn't end here when you're gone  
Every soul has found a flight  
It never ends if I'm right

Our love can even reach across eternity

I believe  
Oh I believe

Forever you're a part of me,  
Forever in the heart of me,  
I will hold you even longer if I can  
All the people, who don't see the most,  
See that I believe in ghosts  
If that makes me crazy then I am

Cause I believe  
Oh I believe

There are more than angels watching over me

I believe  
Oh I believe

Every now and then soft as breath upon my skin,  
I feel you com back again

And I believe
