Over and over again  
Na, na, na, na, na...  
I keep falling

I thought I heard you call him  
I thought I saw your smile  
Lovely vision in my mind  
So many times I wonder  
So many times I've tried, to leave my past behind

I can't hide the way I feel  
'Cause now I'm ready to give in, oh

I've been around the world to spend some time  
But it's only you that comes to mind, oh baby  
I keep falling  
Everywhere I go I see your face  
It's a feeling that I can't replace, oh baby  
I keep falling  
Na, na, na, na, na...  
I keep falling

I know it won't be easy to win your heart again  
But you've got to understand  
I was young and foolish, a fraction of a man  
God knows I've made mistakes  
I can't hide the way I feel  
'Cause now I'm ready to give in

I've been around the world to spend some time  
But it's only you that comes to mind, oh baby  
I keep falling  
Everywhere I go I see your face  
It's a feeling that I can't replace, oh baby  
I keep falling  
Na, na, na, na, na...  
I keep falling  
I keep falling

And when I hear you call him  
And when I see you smile

God knows you make me wild, oh

I've been around the world to spend some time

But it's only you that comes to mind, oh baby

I keep falling

Everywhere I go I see your face

It's a feeling that I can't replace, oh baby

I keep falling

Na, na, na, na, na...

I keep falling
