You take more than you give me
You turn my good news into bad
You've been stealing since the first time
The book you wrote it was all 'bout yours

God I'm so stupid
Got to find my way

I'm falling
I'm calling
I lost myself just because of you
I'm learning and it's hurting
But I'll go wherever without you

You speak more than you should do
I trust a few and you were one
I remember our first call
You said we stand above all

I'm falling
I'm calling
I lost myself just because of you
I'm learning and it's hurting
But I'll go wherever without you

The greatest time will never come
No not for you and me
All the years have swept away the pride

I'm falling
I'm calling
I lost myself just because of you
I'm learning and it's hurting
But I'll go wherever without you

I'm falling
I'm calling
I lost myself just because of you
I'm learning and it's hurting
But I'll go wherever without you
