On my mind, hanging around, on my mind.
On my mind, you know you're way away, on my mind.

It's been a long time since we met
Like a dream, like a dream I can't forget.
I can hardly think why you're still on my mind.
I know, I know time is lower expectation.
I know, I realise that needs no reason to carry on this way.

I said to myself, the way I'm done with you.
It's all over, what am I doing to get your taste out of my thought?

On my mind, hanging around, on my mind.
On my mind, on my mind, you know you're way around.

It's been a long time with way that how, you're still there, I don't know how.
I can hardly think why you're still on my mind.
I know, I know one day you'll come round.
I know, I wouldn't leave you, don't want you out of sight.

As you fancy, I feel I'm afraid too.
Don't want you to love me, just because I do you.

On my mind, you're hanging around, on my mind.
On my mind, you know you're way away, on my mind, hanging around.
On my mind, you're on my mind.

Let the sun arise now, you've been switching off my dream.
I've had too much of love I couldn't touch.
Need to say there is a time to ponder what you'd become for me.
One day hopefully, I'll be free.
