All the time, I've been searchin' for new definition
It is time to come up and leave behind my inhibition
This is life, tThis is how I'll pretend to be in favour
Take your time and relax, keep fall in this trend dancer

I want you to listen to me, rocking music, sets you free
I want you to get inside, rocking music, ease your mind

Wanna to see your body grooving (Want to see your
body yeah)
Really want to rock your body (Heeeey, whohowow)

All the time, hesitation is what took me so long
It is time to see whether power's right or wrong
You might find and deserve a little relaxation
You look fine but before I guarantee the satisfaction

(I want you to) I want you to (Yeaah) Listen to me
Rocking music sets you free
I want you to get inside, rocking music ease your mind
I want you to listen to me, rocking music, sets you free
I want you to get inside, rocking music, ease your mind
(Whooo)
I want you to listen to me, rocking music, sets you free
I want you to get inside, rocking music, ease your mind

[Guitar solo]

I think I got you babe, I can see the fire burnin'
I think I got you babe, I can see the fire burnin'
I think I got you babe, I can see the fire burnin'
I think I got you to my rocking music (Yeah I think I got
you)
I think I got you babe, I can see the fire burnin'
I think I got you babe, I can see the fire burnin'
I think I got you babe, I can see the fire burnin'
I think I got you to my rocking music
I think I got you babe, I can see the fire burnin'
I think I got you babe, I can see the fire burnin'
I think I got you babe, I can see the fire burnin'
I think I got you to my rocking music
I think I got you babe, I can see the fire burnin'

I think I got you babe, I can see the fire burnin'
I think I got you babe, I can see the fire burnin'

mind
