I'm superficial, superficial, I'm superficial, I'm superficial.

I'm ready to take the lead, please do not forget.
It's not about what you need but what you kill to get.
I give you what you want, be like you want me too.
Anytime, anyplace, anything that suits you.

You can make me number one someday.
If I use the back door, it's OK.
You can take me high and you can make me fall, I'm superficial, yeah!

I'm superficial, superficial, I'm superficial, superficial.
Just give me the bottom line, I don't have time to read.
If you have me, I feel fine, attention is all I need.
I'm OK with what suits you, I know that you want me too.
Back around, that will do, right or wrong, I can do.

You can make me number one someday.
If I use the back door, it's OK.
You can take me high and you can make me fall, I'm superficial, yeah!

TV, radio, fancy, star show, you, me, energy, history,
here I go.
TV, radio, fancy, star show, will that make you love me more?
TV, radio, fancy, star show, you, me, energy, history,
here I go.
TV, radio, fancy, star show, will that make you love me more?

I'm superficial, I'm superficial, superficial, I'm superficial, hey!
Image is what matters, no more question.
Instant pleasure, he's a motivation.
I am what you make me, I am what you wanna see.
I need to take, I agree if that make you love me.

You can make me number one someday.
If I use the back door, it's OK.
You can take me high and you can make me fall, I'm

superficial.

Superman, kind of superficial, Superman, kind of
superficial.

Superman, kind of superficial, Superman, kind of
superficial, hey!

You can make me number one someday.

If I use the back door, it's OK.

You can take me high and you can make me fall, I'm
superficial, yeah!
