Every now and then soft as breath upon my skin
I feel you come back again
And it's like you haven't been
Gone a moment from my side,
Like the tears were never cried
Like the hands of time were pulling you and me

And with all my heart I'm sure
We're closer than we ever were,
I don't have to hear or see
I've got all the proof I need
There are more than angels watching over me

I believe
Oh I believe

Now when you die and life goes on,
It doesn't end here when you're gone
Every soul has found a flight
It never ends if I'm right

Our love can even reach across eternity

I believe
Oh I believe

Forever you're a part of me,
Forever in the heart of me,
I will hold you even longer if I can
All the people, who don't see the most,
See that I believe in ghosts
If that makes me crazy then I am

Cause I believe
Oh I believe

There are more than angels watching over me

I believe
Oh I believe

Every now and then soft as breath upon my skin,

I feel you com back again

And I believe
