Over and over again  
I keep falling

I thought I heard you call him  
I thought I saw your smile  
Lovely vision in my mind  
So many times I wondered  
So many times I've tried  
To leave my past behind

I can't hide the way I feel  
Cause now I'm ready to give in, oh

Chorus:  
I've been around the world and spent some time  
But it's only you that comes to mind  
Oh, baby, I keep falling  
Everywhere I go I see your face  
It's a feeling that I can't replace  
Oh, baby, I keep falling

(Na na na...  
I keep falling)

I know it won't be easy  
To win your heart again  
But you've got to understand  
I was young and foolish  
A fraction of a man  
God knows I've made mistakes

I can't hide the way I feel  
Cause now I'm ready to give in, yeah

Chorus

(Na na na...  
I keep falling  
I keep falling)

When I hear you calling

Or when I see you smile  
God knows you make me wild

Chorus

Over and over  
I keep falling, baby  
For you
