Ask the boy  
The one who fell in love with me  
If he'll come back tonight

'Cause he's the boy  
The one who always made me laugh  
Yeah where is he tonight

And I'll ask the girl  
The one who wasn't complicated  
If she'll trade me places for a while

Let's forget the rules and just let go  
And drink it all in  
Kiss under the stars we used to know  
If they're still shinin'  
I'm up for anything  
Just waitin' on you  
To ask the boy

Ask the boy  
Who built his world around me  
If I still light up his eyes

'Cause I can't forget  
He put his arms around me  
And we stayed like that all night

Let's stay like that  
Let's stay like that

Let's forget the rules and just let go  
And drink it all in  
Kiss under the stars we used to know  
If they're still shinin'  
I'm up for anything  
Just waitin' on you  
To ask the boy

I'm waitin'  
Ask the boy

I'm waitin'  
Ask the boy

Let's stay like that  
Let's stay like that

Let's forget the rules and just let go  
Drink it all in  
Kiss under the stars we used to know  
If they're still shinin'  
I'm up for anything  
Just waitin' on you  
To ask the boy

I'm waitin'  
Ask the boy  
I'm waitin'  
Ask the boy

Ask the boy  
The one who fell in love with me  
If he'll come back tonight
