The sun is shining every day, clouds never get in the way for you and me  
I've known you just a week or two, but baby i'm so into you, can hardly breath

and I'm in, so totally wrapped up  
emotionally attracted  
so physically actin'  
so wrecklessly I need you,  
so desperatly sure as the sky is blue  
Baby, I love you, I love you

I never knew that I could feel like this, can hardly wait till our next kiss, you're so cool  
If I'm dreamin' please don't wake me up, cause baby I can't get enough of what you do

and I'm in, so electrically charged up  
conetically actin', eratically need you  
Fanatically you get to me, magically sure as the sky is blue  
Baby, I love you

I can't believe that this is real, the way I feel  
baby I've gone head over heels

and I'm in, so totally wrapped up  
emotionally attracted  
so physically actin'  
so wrecklessly I need you,  
so desperatly sure as the sky is blue, yea

and I'm in, so electrically charged up  
conetically actin', eratically need you  
Fanatically you get to me, magically sure as the sky is blue  
Baby, I love you

Baby I love you, do you love me too? Baby I love youuuuuu!
