Chances are you'll find me  
Somewhere on your road tonight  
Seems I always end up driving by  
Ever since I've known you  
It just seems you're on my way  
All the rules of logic don't apply  
I long to see you in the night  
Be with you 'til morning light

I remember clearly how you looked  
The night we met  
I recall your laughter and your smile  
I remember how you made me  
Feel so at ease  
I remember all your grace and your style  
And now you're all I long to see  
You've come to mean so much to me

Chances are I'll see you somewhere  
In my dreams tonight  
You'll be smiling like the night we met  
Chances are I'll hold you and I'll offer  
All I have  
You're the only one I can't forget  
Baby you're the best I've ever met

And I'll be dreaming of the future  
And hoping you'll be by my side  
And in the morning I'll be longing for the night  
For the night

Chances are I'll see you somewhere  
In my dreams tonight  
You'll be smiling like the night we met

Ohhhhhhhhhhhhhh

Chances are I'll hold you and I'll offer  
All I have  
You're the only one I can't forget  
Baby you're the best I've ever met

Ohhhhhhhhhhhhhhhhh

Ohhhhhhhhhhhhhhhhh
