Something in your eyes,
Makes me want to lose myself
Something in your eyes,
Makes me want to lose myself
In your arms.

There's something in your voice,
Makes my heart beat fast
Hope this feeling lasts
The rest of my life.

If you knew, how lonely my life has been
And how long I've felt so low
If you knew how I've wanted someone to come along
And change my life the way you've done.

Feels like home to me
Feels like home to me
Feels like I'm all the way back where I come from
Feels like home to me
Feels like home to me
Feels like I'm all the way back where I belong.

A window breaks down a long dark street
And a siren wails in the night
But I'm alright cause I have you here with me
And I can almost see the darkest light

If you knew how much
This moment means to me
And how long I've waited for your touch
If you knew how happy you are making me
I never thought I'd love anyone so much

Feels like home to me
Feels like home to me
Feels like I'm all the way back where I come from
Feels like home to me
Feels like home to me
Feels like I'm all the way back where I belong
Feels like I'm all the way back where I belong
