jesus lord o lord
iâ€™m called to worship you
never been here before
this is all brand new

i have stumbled
i have faltered
but i never surrendered it all and said

i give it to you
i give it to you
all my worries
all my burdens
i give it to you

iâ€™ve always been
to ashamed
to afraid to ask for help

i stood out in
the pouring rain
for days all by myself

then i heard you
calling my name
you said donâ€™t worry
so jesus iâ€™m here today

i give it to you
i give it to you
every heartbreak
every mistake
i give it to you

you still love me
even though i
turned away from you
a thousand times

i give it to you
i give it to you
all the glory

and all the praise
i give it to you
i give it to you
i give it to you
lord today my
heart has jinked(?)
and i give it to you
