I pinch myself sometimes to make sure I'm not in a
dream
That's how it seems
I close my eyes and breathe in the sweetest moments
I've ever known
It feels like home
And here I am I want to be your everything
There you are
Turning winter into spring

And everyone that sees you
Always want's to know you
And everyone that knows you
Always has a smile
You're standing ovation after years of waiting
For a chance to finally shine
Everyone calls you amazing
Yeah
I just call you mine

I fall apart
Just a word from you just somehow seems to fix
Whatever's wrong
Oh, you reach into the weakest moments
And remind me that I'm strong
You've got to know
I'd be a fool not to see you even worse
To forget that you're more than I deserve

Cause everyone that sees you
Always want's to know you
And everyone that knows you
Always has a smile
You're standing ovation after years of waiting
For a chance to finally shine
Everyone calls you amazing
I just call you mine

Nothing makes sense when you're not here
As if my whole world disappears
Without you what's the point of it

Cause everyone that sees you
Always want's to know you
And everyone that knows you
Always has a smile
You're the dream that I've been chasin' after years of
waiting
For a chance to finally shine
Everyone calls you amazing
I just call you mine
Everyone calls you amazing
I just call you mine
