Yeah

The sun is shining everyday

The clouds never get in the way for you and me

I've known you just a week or two

But baby I'm so into you I can hardly breathe

And I'm in

So totally wrapped up

Emotionally attracted

So physically acting

So recklessly I need you

So desperately sure as the sky is blue

Baby I love you

I love you

I never knew that I could feel like this

Can hardly wait till our next kiss

Your so cool

If I'm dreaming please don't wake me up

'Cause baby I can't get enough of what you do

And I'm in

So electrically charged up

Kinetically acting

Erratically need you

Fanatically you get to me

Magically sure as the sky is blue

Baby I love you

I can't believe

That this is real

The way I feel

Baby I gone head over heels

And I'm in

So totally wrapped up

Emotionally attracted

So physically acting

So recklessly I need you

So desperately sure as the sky is blue

Yeah

And I'm in

So electrically charged up

Kinetically acting

Erratically need you

Fanatically you get to me

Magically sure as the sky is blue

Baby I love you

Baby I love you

Do you love me too

Baby I love you
