Didn't I make you feel  
Like you were the only man  
And didn't I give you everything  
That a woman possibly can

Each time I tell myself I think I've had enough  
Well I'm gonna show you baby that a woman can be  
tough  
So come on, come on, come on and

Take it  
Take another little piece of my heart now baby  
I know you will  
Break it  
Break another little piece of my heart now baby  
'Cause you know you got it if it makes you feel good, so  
good

You're out on the street lookin' good  
Baby deep down in your heart you know that it ain't  
right  
No you'll never hear me cryin'  
You know I cry all the time  
Each time I tell myself that I can't stand the pain  
You hold me in your arms and I start singin' once again  
[Piece Of My Heart lyrics on ]

So come on, come on, come on and

Take it  
Take another little piece of my heart now baby  
I know you will  
Break it  
Break another little piece of my heart now baby  
'Cause you know you got it if it makes you feel good, so  
good

Each time I tell myself that I can't stand the pain  
You hold me in your arms and I start singin' once again  
So come on, come on, come on

Take it  
Take another little piece of my heart now baby  
I know you will  
Break it  
Break another little piece of my heart now baby  
'Cause you know you got it if it makes you feel good
