She remembers when she first got her wings
And how she opened up the day she learned to sing
Then the colors came, erased the black and white
And her whole world changed when she realized

She's a butterfly, pretty as the crimson sky
Nothing's ever gonna bring her down
And everywhere she goes, everybody knows
She's so glad to be alive, she's a butterfly

Like the purest light in a darkened world
So much hope inside, such a lovely girl
You should see her fly, it's almost magical
It makes you wanna cry, she's so beautiful

She's a butterfly, pretty as the crimson sky
Nothing's ever gonna bring her down
And everywhere she goes, everybody knows
She's so glad to be alive, she's a butterfly

God bless the butterfly
Give her the strength to fly
Never let her wings touch the ground
(God bless the butterfly)

God bless the butterfly
Give her the strength to fly
Never let her wings touch the ground

Oh, she's a butterfly, pretty as the crimson sky
Nothing's ever gonna bring her down
And everywhere she goes, everybody knows
She's so glad to be alive, she's a butterfly
She's a butterfly, she's a butterfly

God bless the butterfly
Give her the strength to fly
Never let her wings touch the ground
(God bless the butterfly)

God bless the butterfly
Give her the strength to fly

Never let her wings touch the ground
