I still get that feelin' I felt when I fell in love with my
baby
Every time he makes me smile
I still see the beautiful in your favorite song on the
radio
Turn it up and here we go
Look at everythin' we have and baby, it ain't so bad

Today everythin' is sunny side up
I'm hangin' on to happy and pushin' my luck
You're lookin' at a girl who's lookin' at the world
And no matter what sunny side up, sunny side up
Yeah, yeah

It seems like everybody's way too sad
Come on, let's lift each other up
Look at all we have, baby, it ain't so bad

Oh, today everythin' is sunny side up
I'm hangin' on to happy and pushin' my luck
You're lookin' at a girl who's lookin' at the world
And no matter what

Hey, today everythin' is sunny side up
I'm hangin' on to happy and pushin' my luck
You're lookin' at a girl who's lookin' at the world
And no matter what sunny side up, sunny side up
Yeah, yeah, hey, sunny side up

I still get that feelin' I felt when I fell in love with my
baby
Every time he makes me smile
