Wrong baby, wrong baby, wrong, it ain't the end of the world

Don't you worry, pretty girl

'Cause now that he's gone baby, gone baby, gone

You got nothin' to lose, count the minutes if you want to

It won't be long baby, long baby, long

'Til you find somebody new

Come on now, everyone falls down

Everyone crawls now and then, then they get up again

You cry if you want to, that's what we all do

But if you think you'll never move on, you're wrong baby

Cry baby, cry baby, cry, go on and let it all out

I ain't leavin' you now

And we can fly baby, fly baby, fly, let's share a bottle of wine

We can laugh about the good times

And you'll know why baby, why baby, why

It's gonna be alright

Come on now, everyone falls down

Everyone crawls now and then, then they get up again

You cry if you want to, that's what we all do

But if you think you'll never move on, you're wrong baby, wrong

Oh, you ain't gone, baby wrong, baby wrong

There's nothin' wrong with movin' on

When you know he's good and gone

Come on now, everyone falls down

Everyone crawls now and then, then they get up again

You cry if you want to, that's what we all do

Come on now, everyone falls down

Everyone crawls now and then, then they get up again

You cry if you want to, that's what we all do

But if you think you'll never move on, you're wrong

baby, wrong
You're wrong baby, wrong
Wrong baby, wrong baby, wrong
