Wrong baby, wrong baby, wrong  
It ain't the end of the world  
Don't you worry, pretty girl  
'Cause now that he's gone baby, gone baby, gone  
You got nothin' to lose  
Count the minutes if you want to

It won't be long baby, long baby, long  
'Til you find somebody new

Come on now, everyone falls down  
Everyone crawls now and then, then they get up again  
You cry if you want to, that's what we all do  
But if you think you'll never move on you're wrong baby

Cry baby, cry baby, cry  
Go on and let it all out  
I ain't leavin' you now  
And we can fly baby, fly baby, fly  
Let's share a bottle of wine  
We can laugh about the good times

And you'll know why baby, why baby, why  
It's gonna be alright

Come on now, everyone falls down  
Everyone crawls now and then, then they get up again  
You cry if you want to, that's what we all do  
But if you think you'll never move on, you're wrong  
baby, wrong

Oh, you ain't gone, baby wrong, baby wrong  
There's nothin' wrong with movin' on  
When you know he's good and gone

Come on now, everyone falls down  
Everyone crawls now and then, then they get up again  
You cry if you want to, that's what we all do

Come on now, everyone falls down  
Everyone crawls now and then, then they get up again  
You cry if you want to, that's what we all do

But if you think you'll never move on you're wrong  
baby, wrong  
You're wrong baby, wrong baby, wrong baby, wrong
