You've come to tell me something
You say I ought to know
He don't love me anymore
and i'll have to let him go.
You say you're gonna take him
But I don't believe you can
Cause you ain't woman enough to take my man

Chorus
Women like they're a dime a dozen
You can buy 'em anywhere
For you to get to him, I'd have to move over
And I'm gonna stand right here.
It'll be over my dead body, so get out while you can.
Cause you ain't woman enough to take my man.

Sometimes a man's caught lookin'
At things that he don't need

He took a second look at you
But he's in love with me
Well I don't know where that leaves you
But I know where I stand
And you aint woman enough to take my man

Chorus
Women like they're a dime a dozen
You can buy 'em anywhere
For you to get to him, I'd have to move over
And I'm gonna stand right here.
It'll be over my dead body, so get out while you can.
Cause you ain't woman enough to take my man.
No you ain't woman enough to take my man.
