He shot just like a comet  
Into my orbit  
He sparked and spread like a forest blaze  
Took over like a teenage craze  
And ma said,  
'Tina, he was worth the wait'  
She thinks that I've  
Made a grave mistake

Oh God, look at what I've done  
I've pulled it all apart, just for fun  
Just to see if it would come undone  
Now it's all come undone

Last time that he saw me  
It was way back in February  
And he was smoking like a chimney  
He had me swaying like a daisy  
When he said  
'Happy valentines day babe'  
And I took the heart shaped box  
And I walked away

Oh God, look at what I've done  
I've pulled it all apart, just for fun  
Just to see if it would come undone  
Now it's all undone

Now I stay out late at night  
I do what the heck I like  
Adventurousness is all right I guess  
But I like it less and less  
And hey, well that's exactly  
What he warned  
He said 'If you think this happens  
Everyday, babe,  
You've got a lot to learn'

Oh God, look at what I've done  
I've pulled it all apart, just for fun  
Just to see if it would come undone  
Just to watch it all come undone

Just to see it all come undone  
Now it's all come undone  
Yeah, it's all come undone
