See me, I see you too
There's no strings to what we do
It's a wireless phase and the camera stays
I bend into place, a Maria full of grace

And I wonder if you could do
All I do for you

And it's so original and it's so beautiful
I can see me in the way you are
Knowing everywhere I go you're my picture on the wall
I see me in the way I am

When I reach town, baby, I'm a touchdown
I see us in the way we are
And I'm running for a train and I'm coming home again
And then maybe I can slowdown

Walk in a circle
Trying to find our way home

It's cruel to detain me
Unbuckle and deplane me
A wireless phase and the camera says
I bend into place a Maria full of grace

Do you know what I do for you?
Know what I do, do you?

And it's so beautiful and it's so original
I can see me in the way you are
Knowing everywhere I go you're my picture on the wall
I see me in the way I am

When I reach town, baby, I'm a touchdown
I see us in the way we are
And I'm running for a train and I'm coming home again
And then maybe I can slow down

Walk in a circle
Finding our way home
Run in a circle

Finding our way home
