I wanna tell you (?)
I've come to feel
I wanna show you
How our love is real

...

In the morning
Leave your jacket on the floor
I'm coming around for more
Leave your heat in the bed
I wanna be there by your head (?)
As long as you wanna stay, baby, baby,
I wanted to say
Nobody's coming around today

I'm gonna show you (show you)
Show you where the good times start, baby
I wanna show you (show you)
I wanna show you where the feeling sparks
I'm gonna let you (let you)
Take all the time you need
Cause when the soul starts fallin', baby (?)
We got time to leave (we got time to leave) (?)

We get trigger happy
Got the feeling all day and night
We get everybody
To sing along ?? summer night

You get everything I got
And I know you're feeling fine
The sweet sweet feeling you give to me baby
I wanna have a good time

In the morning
We're all singing
We're all free, yeah

I'm gonna show you (show you)
Show you where the good times start, baby
I wanna show you (show you)
I wanna show you where the feeling sparks
I'm gonna let you (let you)

Take all the time you need
Cause when the soul starts fallin', baby (?)
We got time to leave (we got time to leave) (?)

Ever since I was young
I wanted ... I wanted to know (?)
Ever since you came along
Feeling so much stronger
Every way that you show
Feelings open to love

I'm gonna show you (show you)
Show you where the good times start, baby
I wanna show you (show you)
I wanna show you where the feeling sparks
I'm gonna let you (let you)
Take all the time you need
Take all the time you need
Take all the time you need
Take all the time you need
Take all the time you need
(Take all the time you need)
Take all the time you need
(Take all the time you need)
Take all the time you need
(Take all the time you need)

Every way, every day
I want you near
I need you here
To be my sea of love
(Take all the time you need)
