This is my moment
This is my perfect moment with you
This is what God meant
This is my perfect moment with you

I wish I could freeze this space in time
The way that I feel for you insideÂ...
This is my moment
This is my perfect moment with you.

Tell me you love me
When you leave
YouÂ're more than a shadow
ThatÂ's what I believeÂ...
You take me to places I never thought I see
Minute by minute youÂ're the world to meÂ...

I wish I could frame the look in your eyes
The way that I feel for you insideÂ...
This is my moment
This is my perfect moment with youÂ...

And if tomorrow brings a lonely day
Here and now i know I haven't lived in vain
I'll cry my tears in the rain and if love never comes
again
I can always say I've been
to paradise skies in your eyes... in your eyes

Tell me you love me
The moment you leave
YouÂ're more than a shadow ohÂ...
ThatÂ's to believe

I wish I could keepÂ....
You all of my life
The way that I feel for you insideÂ...
This is my moment
This is my perfect moment with you

This is my moment..
This is my perfect moment with youÂ...

With you...
