(I can't talk right now
I got the wife and the kid
In the car with the poodle...
I hate that damn dog)
Sit, now beg
Sit, now beg
Scratch 'n sniff
Scratch 'n sniff
Knick knack paddy whack
Give a dog a bone
Bury it, hot dog
Knick knack paddy whack
Give a dog a bone
Bury it, now get on home
Stay, come
Stay, come
Knick knack paddy whack
Give a dog a bone
Bury it, hot dog
Knick knack paddy whack
Give a dog a bone
Bury it, now get on home
(Hot dog) (Allright)
(Lox for everyone)
(Thank you)
Knick knack paddy whack
Give a dog a bone
Bury it, hot dog
Knick knack paddy whack
Give a dog a bone
Bury it, now get on home
