I see your eyes
Hurting inside
Because of me, you're crying
I see your smile
Gone for a while
Withered away, away

My voice is weak, and I can't speak
The words I want, to say to you

I long for you, only you
My heart is aching, broken in two
I long for you, only you
My heart is aching, broken in two

I look in the mirror
Follow the tears
Falling down to, the ground
I know my mistakes
Shattered your faith
Believe me, I love you, I love you

My voice is weak, and I can't speak
The words I want, to say to you, you

I long for you, only you
My heart is aching, broken in two
I long for you, only you
My heart is aching, broken in two

It's hard to breathe
Watching you bleed
Don't let this be, the end
I soak in my tears
As you disappear
Please come back, to me

I long for you, only you
My heart is aching, broken in two
I long for you, only you
My heart is aching, broken in two
