Free your mind for the journey
Close your eyes
Got me burnin'
I wanna' give you good love
Lay you down
Sexy young thing
Are we groovy now

Chorus:
And I want your body
Groovy now
Wanna' freak that body
Groovy now
Wanna' sex your body
Groovy now
Gonna rock that body
Groovy now

Take you time
Don't look back baby
Sweet desire
Heart attack mama
I wanna' give you good love
Get it on
Freaky young thing
And we're groovin' on
Chorus

Free your mind we're gonna take a journey
Close you eyes mama
'coz you got me burnin'
I wanna give you good love
Lay you down
Sexy young thing
Groovy now
Chorus
