Long in the tooth  
Long in the tooth  
I'm lookin' round the corner  
And I'm long in the tooth

Waiter, hey check please  
In the corner booth  
I'm feelin' rather long in the tooth

Time is a loser, boozier, schnoozer  
He carried up and married up  
A midwest hoosier

Coffee beans  
Fax machines  
Playin' like a schmoozer  
He's gettin' rather long in the tooth

Oysterhead, Zeppelin Led  
Shoulda heard what granny said  
Paco de Lucia never seen a man like Flouncin' Fred

Wrapped up  
Tapped out  
Crapped on  
Bled

He's feelin' rather long in the tooth

Long in the tooth  
Long in the tooth  
Mother Nature's greedy when  
You're long in the tooth  
You ain't afraid of dying  
But you're terrified of youth  
You must be gettin' rather  
Long in the tooth

Long in the tooth  
Long in the tooth  
If you're watchin' Price is Right

Then you're damn long in the tooth

I sold of my rebellion  
For a pocket full of couth  
'Cause I'm getting  
Rather long in the tooth

Stompin' Tom says "Hey, hi, heave, hi, ho"  
Stompin' Tom says "Hey, hi, heave, hi, ho"  
Stompin' Tom says "Hey, hi, heave, hi, ho"  
Stompin' Tom says "Hey, hi, heave, hi, ho"

Long in the tooth  
Long in the tooth  
Long in the tooth  
Long in the tooth  
Well I'll take mine dirty  
With a splash of Vermouth  
I kinda like bein' long in the tooth
