"Love At Cost"

So far gone
Wish I was lost
Can't seem to move
Can't seem to stop

Why can't love be bought at cost?

I used to be
Well maybe not
Too hard to think
Can't make a thought

Why can't love be bought at cost?
Why can't love be bought at cost?

There is hope
If there's tomorrow
I'll find some money
That I can borrow.....for awhile

I heard it ring
The aim was spot
Right through my chest
I took a shot

Why can't love be bought at cost?
Why can't love be bought at cost?
