"Be Strong"

The wind blows
The child wakes
The years go
The heart breaks
The rains come, the castle falls
You lose hope
The soul cries
The fears grow
The time flies
Life goes on, but through it all

(Chorus)

Be strong, don't be afraid
You're not alone in this world
Be strong, take courage and fly
'Cause now's the time to stand
Walk in the promised land of life
Be strong

A road ends
A dream dies
You breathe deep
And realize
To press on, you must believe
The Lord knows
The tears dry
You find hope
You live life
You look back, and finally see peace

(Chorus)

(Bridge)

Feel the wind blow on your face
Taste the victory of grace
Touch the joy of freedom
Knowing you have overcome...

(Chorus)

Oh now's the time to stand
Walk in the promised land of life

Be strong
