This Old World Gets You Down  
When Your Doing Too Much Looking At The Sin and  
Sorrow Going Round  
Don't It Make You Wanna Cry  
Well I Cried Some Myself  
And I Learned A Little Lesson How To Set My Sights on  
Something Else  
I Wouldn't Tell You No Lie  
I Wouldn't Lie To You  
I Can Worry and Pout In The Shadow of Doubt  
But I'm Running Out Of Reason's Why

Chorus:  
Because God's Good  
So Good  
He Is Absolutely, Positively, Definately  
Nothin' But Good  
To Me And You  
On My Baddest Bad Day  
On My Deepest Dark Night  
I Know That Everything Is Gonna Be Alright  
Because God's Good

When It's Hard When It Hurt's  
When It's Getting So Confusing  
You Don't Even Know Which Came First  
Was It Clouds or Rain  
He Is Strong When We're Not  
He's Forgiving When We Stumble  
Neverending Love No Matter What  
And He Ain't Fixing To Change  
You Say Is He Aware and Does He Even Care  
I Say Yes He Is And Yes He Does

Repeat Chorus 2X
